Getting started with your 2024 ParTNers for Health FSA

You will use this site to enroll in 2024 Medical FSA or Limited Purpose FSA. You will also use this site to enroll in 2024 Dependent Care account. This guide will show you how.

To get started, go to optumbank.com/tennessee

Your first steps

1. At the top of the page, within the orange bar, click Higher Education employees: Click here to enroll in your Flexible Benefits. This will take you to the FSA Enrollment and Election Tool sign-in page. Please note that this is not the same login as accessing your current year HSA or FSA accounts, and is a separate site for enrolling in your 2024 benefits.

2. From the FSA Enrollment and Election tool sign-in page, click create account. You will need to create a new account for 2024 enrollment, even if you used this site last year. You’ll be taken to the Identity Verification page.

3. Enter your nine-digit Social Security Number, followed by your date of birth in MM/DD/YYY format. You will not have an invitation code.

4. Click submit; you’ll be taken to the next page
Creating a new username and password

1. Choose a user name and enter it in the field marked **UserName**. It should be at least eight characters long and contain both letters and numbers – e.g. A to Z and 0 to 9 – but only letters and numbers.

2. Next, choose a password. It should be at least eight characters long and contain at least three of the following character types: uppercase (A to Z), lowercase (a to z), numeric (0 to 9), symbols (!@#, etc.).

3. Enter your new password in the **Password** field, then enter it again in the **Confirm Password** field.

   Note: this user name and password is only for the FSA enrollment and election tool.

Choosing security questions

1. In the frame marked **Security Challenge Question #1**, in the field marked **Question**, enter a question that only you would know the answer to. For example: your first pet’s name. The street you grew up on. Your second-favorite U.S. state. (Your favorite is Tennessee, obviously.)

2. Enter the answer to your challenge question in the **Answer** field, below.

3. Follow the same process for **Security Challenge Question #2**.

4. If you’d like, you can add more challenge questions by clicking **Add another security question**.

5. Click **Create Account** and you’ll be taken back to the sign-in page.

6. Enter your new user name and password in the appropriate fields, then click **Sign In**; you’ll be taken to the enrollment start page.

Starting the enrollment process

1. You’ll first see a welcome message from Optum. Be sure to read all the way to the end, where you’ll find links to an FSA user guide, plus information on limited purpose and dependent care FSAs.

2. Once you’re ready, click **Continue**.

   Note: after five minutes of inactivity, this page will time out and you’ll be prompted to log in again.

Reviewing personal information.

1. Your full name and date of birth should appear automatically. If there are any errors, please contact your agency benefit coordinator.

2. Once you’re ready, click **Continue**.
Making enrollment decisions

1. All your available FSA options are listed here. Click **Review** to learn more about each plan and how it works.
2. If you’d like to enroll, click **Enroll**. You’ll be asked a series of questions particular to each plan, followed by accepting that plan’s terms and conditions. Please read all the way to the end and click **Accept**, then **Submit**.
3. If you don’t want to enroll in a specific plan, click **I am not interested**; a dialog box will appear asking you to confirm your decision. If you click **Confirm**, you’ll be taken back to the page in step 1, but you will have the option of revisiting your choice.
4. When you’ve made your enrollment decisions, click **Continue** and you’ll be taken to a confirmation page.

Confirming enrollment decisions

1. This is where the user reviews the benefits they’ve enrolled in and those they’ve declined. Please make sure they read this carefully.
2. If they’re satisfied with their enrollment decisions, have them click **Accept and Sign**
3. If you would like to review and/or change your enrollment decisions, click **Return to benefits list**

Submitting their enrollment

1. To complete the enrollment process, click **Finish and Logout**
2. If you need another chance to review your enrollment decisions, click **Back**

Finishing it up

Once you click **Finish and Logout**, you’ll be automatically logged out of the system.

Note: you can log back in at any time during October and still make changes to your 2024 benefit selection
